STATEMENT OF WORKSTATEMENT OF WORK

**Work Order # CHG 938
Angel's Road Access to Night Stalker Intersection, Extension
CLIN 0001 – W34GM471653001**

PURPOSE/OBJECTIVE: The DOIM at Ft. Campbell, KY seeks to contract for the installation of a manhole and duct run.

SCOPE OF WORK: The statement of work will consist of this document, a drawing of the immediate area showing points of connection for the cables and the Fort Campbell Information Technology (IT) Technical Design Guide.

Work done under this statement of work will run concurrently with all ongoing and future projects at Ft. Campbell, KY. The contractor will be allowed "60" calendar days to complete this project from time of award. The contractor will install all cables, equipment, labor and hardware to accomplish this work in accordance with the terms and standards set forth in the above documents.

It is the contractor's responsibility to verify all measurements and quantities prior to bidding project or ordering material.

The contractor awarded this project will coordinate communications requirements with the Luke W. Herron (270 956 2844, luke.w.herron@us.army.mil), DOIM Plans/Architecture Branch, Building 6905, 30th Street and A Shau Valley Road for required floor plan/cable diagrams and/or cable pairs/fiber strands count. The contractor will coordinate closely with DOIM personnel in the splicing and tagging of the cable. The contractor will restore all grass/dirt areas within 15 days of completion of the digging, weather permitting. The contractor will use the existing manhole and duct system where available.

Pictures of project sites are required before any digging takes place. The contractor will provide site pre-dig pictures to the project officer.

NO FIBER WILL BE DIRECT BURIED.

Work Location: Along the south side of Perimeter Road, from the Angel's Road/Gate 4 cutoff to the intersection of Perimeter Road and Night Stalker Way.

Description: The work to be performed, is to install a 4-way manhole and duct system from the Angel's Road/Gate 4 cutoff along Perimeter Road to the intersection of Perimeter Road and Night Stalker Way. The distance is approximately 3350'. This installation will require 5 manholes which should be spaced as closely as possible to the I3A maximum of 700' as possible. After completion of the installation, the DOIM project manager will provide the manhole numbers.

DELIVERABLES: The contractor awarded this project will be required to furnish one copy of as-built drawings in .dgn or .dwg format on a CD. The work area will be provided in .dgn CAD (MicroStation) format for attachment. It is a reference file of the post map used to maintain DOIM's plant-in-place drawings. Two hard copies of redline drawings are also required. The drawing provided to the contractor will not be moved, rescaled, or otherwise changed from its original geo-reference position or altered in any way that will affect its reattachment to DOIM's drawing system. Hard copy documents of OTDRs are required for all terminated fiber strands, end to end.

Work Order # CHG 937
Angle's Road/Gate 8 Alternate FEed
CLIN 0002 – W34GM471653002

PURPOSE/OBJECTIVE: The DOIM at Ft. Campbell, KY seeks to contract for the installation of a manhole and duct system.

SCOPE OF WORK: The statement of work will consist of this document, a drawing of the immediate area showing points of connection for the cables and the Fort Campbell Information Technology (IT) Technical Design Guide.

Work done under this statement of work will run concurrently with all ongoing and future projects at Ft. Campbell, KY. The contractor will be allowed “30” calendar days to complete this project from time of award. The contractor will install all cables, equipment, labor and hardware to accomplish this work in accordance with the terms and standards set forth in the above documents.

It is the contractor's responsibility to verify all measurements and quantities prior to bidding project or ordering material.

The contractor awarded this project will coordinate communications requirements with the Luke W. Herron (270 956 2844, luke.w.herron@us.army.mil), DOIM Plans/Architecture Branch, Building 6905, 30th Street and A Shau Valley Road for required floor plan/cable diagrams and/or cable pairs/fiber strands count. The contractor will coordinate closely with DOIM personnel in the splicing and tagging of the cable. The contractor will restore all grass/dirt areas within 15 days of completion of the digging, weather permitting. The contractor will use the existing manhole and duct system where available.

Pictures of project sites are required before any digging takes place. The contractor will provide site pre-dig pictures to the project officer.

NO FIBER WILL BE DIRECT BURIED.

Work Location: Perimeter Road, from Chinook Road to the Angel's Road connector.

Description: The work to be performed, is to furnish and install a 4-way manhole and duct system from Chinook Road to the Angel's Road connector. The system is to be installed on the south side of Perimeter Road. Manhole spacing should be as close as possible to the I3A maximum of 700'. This installation will require 5 manholes. After completion of the installation, the DOIM project manager will provide manhole numbers.

DELIVERABLES: The contractor awarded this project will be required to furnish one copy of as-built drawings in .dgn or .dwg format on a CD. The work area will be provided in .dgn CAD (MicroStation) format for attachment. It is a reference file of the post map used to maintain DOIM's plant-in-place drawings. Two hard copies of redline drawings are also required. The drawing provided to the contractor will not be moved, rescaled, or otherwise changed from its original geo-reference position or altered in any way that will affect its reattachment to DOIM's drawing system. Hard copy documents of OTDRs are required for all terminated fiber strands, end to end.

Work Order # CHG 935
'B' Avenue Manhole and Duct Installation
CLIN 0003 – W34GM471653003

PURPOSE/OBJECTIVE: The DOIM at Ft. Campbell, KY seeks to contract for the installation of a new manhole and duct run.

SCOPE OF WORK: The statement of work will consist of this document, a drawing of the immediate area showing points of connection for the cables and the Fort Campbell Information Technology (IT) Technical Design Guide.

Work done under this statement of work will run concurrently with all ongoing and future projects at Ft. Campbell, KY. The contractor will be allowed "45" calendar days to complete this project from time of award. The contractor will install all cables, equipment, labor and hardware to accomplish this work in accordance with the terms and standards set forth in the above documents.

It is the contractor's responsibility to verify all measurements and quantities prior to bidding project or ordering material.

The contractor awarded this project will coordinate communications requirements with the Luke W. Herron (270 956 2844, luke.w.herron@us.army.mil), DOIM Plans/Architecture Branch, Building 6905, 30th Street and A Shau Valley Road for required floor plan/cable diagrams and/or cable pairs/fiber strands count. The contractor will coordinate closely with DOIM personnel in the splicing and tagging of the cable. The contractor will restore all grass/dirt areas within 15 days of completion of the digging, weather permitting. The contractor will use the existing manhole and duct system where available.

Pictures of project sites are required before any digging takes place. The contractor will provide site pre-dig pictures to the project officer.

NO FIBER WILL BE DIRECT BURIED.

Work Location: Between existing manhole, (MH-B1, on 'B' Avenue), and, the intersection of 'B' Avenue with Blacksheep Run.

Description: The work to be performed, is to begin at existing manhole (MH-B3), and from that point, furnish and install a 6-way manhole and duct segment to the SW corner of the intersection of 'B' Avenue and Blacksheep Run Road. The length of this segment is approximately 1390' and will require the installation of 3 manholes. This installation will also require removal and replacement of existing asphalt/concrete hardstand. Manhole numbers will be provided by the DOIM project manager after the installation is completed.

DELIVERABLES: The contractor awarded this project will be required to furnish one copy of as-built drawings in .dgn or .dwg format on a CD. The work area will be provided in .dgn CAD (MicroStation) format for attachment. It is a reference file of the post map used to maintain DOIM's plant-in-place drawings. Two hard copies of redline drawings are also required. The drawing provided to the contractor will not be moved, rescaled, or otherwise changed from its original geo-reference position or altered in any way that will affect its reattachment to DOIM's drawing system. Hard copy documents of OTDRs are required for all terminated fiber strands, end to end.

**Work Order # CHG 936
'B' Avenue to Chinook Road Manhole and Duct
CLIN 0004 – W34GM471653004**

PURPOSE/OBJECTIVE: The DOIM at Ft. Campbell, KY seeks to contract for the installation of a manhole and duct system.

SCOPE OF WORK: The statement of work will consist of this document, a drawing of the immediate area showing points of connection for the cables and the Fort Campbell Information Technology (IT) Technical Design Guide.

Work done under this statement of work will run concurrently with all ongoing and future projects at Ft. Campbell, KY. The contractor will be allowed "45" calendar days to complete this project from time of award. The contractor will install all cables, equipment, labor and hardware to accomplish this work in accordance with the terms and standards set forth in the above documents.

It is the contractor's responsibility to verify all measurements and quantities prior to bidding project or ordering material.

The contractor awarded this project will coordinate communications requirements with the Luke W. Herron (270 956 2844, luke.w.herron@us.army.mil), DOIM Plans/Architecture Branch, Building 6905, 30th Street and A Shau Valley Road for required floor plan/cable diagrams and/or cable pairs/fiber strands count. The contractor will coordinate closely with DOIM personnel in the splicing and tagging of the cable. The contractor will restore all grass/dirt areas within 15 days of completion of the digging, weather permitting. The contractor will use the existing manhole and duct system where available.

Pictures of project sites are required before any digging takes place. The contractor will provide site pre-dig pictures to the project officer.

NO FIBER WILL BE DIRECT BURIED.

Work Location: The south side of Perimeter Road, between 'B' Avenue and Chinook Road.

Description: The work to be performed, is to furnish and install a 4-way manhole and duct system on the south side of Perimeter Road between 'B' Avenue and the west side of Chinook Road. This installation will include 4 manholes. When the installation is complete, the manhole names will be provided by the DOIM project manager.

DELIVERABLES: The contractor awarded this project will be required to furnish one copy of as-built drawings in .dgn or .dwg format on a CD. The work area will be provided in .dgn CAD (MicroStation) format for attachment. It is a reference file of the post map used to maintain DOIM's plant-in-place drawings. Two hard copies of redline drawings are also required. The drawing provided to the contractor will not be moved, rescaled, or otherwise changed from its original geo-reference position or altered in any way that will affect its reattachment to DOIM's drawing system. Hard copy documents of OTDRs are required for all terminated fiber strands, end to end.

**Work Order #CHG 934
Entrance Road Overbuild
CLIN 0005 – W34GM471653005**

PURPOSE/OBJECTIVE: The DOIM at Ft. Campbell, KY seeks to contract for the overbuild of existing manhole and duct run.

SCOPE OF WORK: The statement of work will consist of this document, a drawing of the immediate area showing points of connection for the cables and the Fort Campbell Information Technology (IT) Technical Design Guide.

Work done under this statement of work will run concurrently with all ongoing and future projects at Ft. Campbell, KY. The contractor will be allowed "30" calendar days to complete this project from time of award. The contractor will install all cables, equipment, labor and hardware to accomplish this work in accordance with the terms and standards set forth in the above documents.

It is the contractor's responsibility to verify all measurements and quantities prior to bidding project or ordering material.

The contractor awarded this project will coordinate communications requirements with the Luke W. Herron (270 956 2844, luke.w.herron@us.army.mil), DOIM Plans/Architecture Branch, Building 6905, 30th Street and A Shau Valley Road for required floor plan/cable diagrams and/or cable pairs/fiber strands count. The contractor will coordinate closely with DOIM personnel in the splicing and tagging of the cable. The contractor will restore all grass/dirt areas within 15 days of completion of the digging, weather permitting. The contractor will use the existing manhole and duct system where available.

Pictures of project sites are required before any digging takes place. The contractor will provide site pre-dig pictures to the project officer.

NO FIBER WILL BE DIRECT BURIED.

Work Location: The area from RSU #5 westward toward 'B' Avenue. This is the existing communications manhole and duct system leaving RSU #5 and running west along the south side of Entrance Road.

Description: The work to be performed, is to overbuild the existing manhole and duct run from RSU #5 (building 7030), MH-K16 to MH-K16B by a 4-way addition. The contractor will furnish and install the ducts to accomplish this task.

DELIVERABLES: The contractor awarded this project will be required to furnish one copy of as-built drawings in .dgn or .dwg format on a CD. The work area will be provided in .dgn CAD (MicroStation) format for attachment. It is a reference file of the post map used to maintain DOIM's plant-in-place drawings. Two hard copies of redline drawings are also required. The drawing provided to the contractor will not be moved, rescaled, or otherwise changed from its original geo-reference position or altered in any way that will affect its reattachment to DOIM's drawing system. Hard copy documents of OTDRs are required for all terminated fiber strands, end to end.

**Work Order #CHG 940
Install 216 strand, primary feed F.O.C.
CLIN 0006 – W34GM471653006**

PURPOSE/OBJECTIVE: The DOIM at Ft. Campbell, KY seeks to contract for the installation of communications backbone F.O.C.

SCOPE OF WORK: The statement of work will consist of this document, a drawing of the immediate area showing points of connection for the cables and the Fort Campbell Information Technology (IT) Technical Design Guide.

Work done under this statement of work will run concurrently with all ongoing and future projects at Ft. Campbell, KY. The contractor will be allowed "30" calendar days to complete this project from time of award. The contractor will install all cables, equipment, labor and hardware to accomplish this work in accordance with the terms and standards set forth in the above documents.

It is the contractor's responsibility to verify all measurements and quantities prior to bidding project or ordering material.

The contractor awarded this project will coordinate communications requirements with the Luke W. Herron (270 956 2844, luke.w.herron@us.army.mil), DOIM Plans/Architecture Branch, Building 6905, 30th Street and A Shau Valley Road for required floor plan/cable diagrams and/or cable pairs/fiber strands count. The contractor will coordinate closely with DOIM personnel in the splicing and tagging of the cable. The contractor will restore all grass/dirt areas within 15 days of completion of the digging, weather permitting. The contractor will use the existing manhole and duct system where available.

Pictures of project sites are required before any digging takes place. The contractor will provide site pre-dig pictures to the project officer.

NO FIBER WILL BE DIRECT BURIED.

Description: The work to be performed, is to furnish and install a 216 strand SM Fiber Optic Cable from RSU #5 through manhole and duct systems to a manhole in front of the 101 Co. Ops. Facility. A splice case will be installed in MH-K16 as well as the one to be placed in front of the Co. Ops. Project. A 30' maintenance loop will be placed in each manhole and a 3-cell fiber innerduct will run from end to end. The cable will be named by the DOIM project manager once installation is complete.

DELIVERABLES: The contractor awarded this project will be required to furnish one copy of as-built drawings in .dgn or .dwg format on a CD. The work area will be provided in .dgn CAD (MicroStation) format for attachment. It is a reference file of the post map used to maintain DOIM's plant-in-place drawings. Two hard copies of redline drawings are also required. The drawing provided to the contractor will not be moved, rescaled, or otherwise changed from its original geo-reference position or altered in any way that will affect its reattachment to DOIM's drawing system. Hard copy documents of OTDRs are required for all terminated fiber strands, end to end.

**Work Order # CHG 939
Night Stalker Way to 101 Co. Ops. Extension
CLIN 0007 – W34GM471653007**

PURPOSE/OBJECTIVE: The DOIM at Ft. Campbell, KY seeks to contract for the installation of manhole and duct system.

SCOPE OF WORK: The statement of work will consist of this document, a drawing of the immediate area showing points of connection for the cables and the Fort Campbell Information Technology (IT) Technical Design Guide.

Work done under this statement of work will run concurrently with all ongoing and future projects at Ft. Campbell, KY. The contractor will be allowed "30" calendar days to complete this project from time of award. The contractor will install all cables, equipment, labor and hardware to accomplish this work in accordance with the terms and standards set forth in the above documents.

It is the contractor's responsibility to verify all measurements and quantities prior to bidding project or ordering material.

The contractor awarded this project will coordinate communications requirements with the Luke W. Herron (270 956 2844, luke.w.herron@us.army.mil), DOIM Plans/Architecture Branch, Building 6905, 30th Street and A Shau Valley Road for required floor plan/cable diagrams and/or cable pairs/fiber strands count. The contractor will coordinate closely with DOIM personnel in the splicing and tagging of the cable. The contractor will restore all grass/dirt areas within 15 days of completion of the digging, weather permitting. The contractor will use the existing manhole and duct system where available.

Pictures of project sites are required before any digging takes place. The contractor will provide site pre-dig pictures to the project officer.

NO FIBER WILL BE DIRECT BURIED.

Work Location: The north side of Perimeter Road, from Night Stalker Way to 101 Co. Ops. Facility, now under construction.

Description: The work to be performed, is to install a 4-way manhole and duct system from the intersection of Night Stalker Way eastward along the north side of Perimeter Road approximately 1350'. A manhole will then be placed which will provide communication service to a Co. Ops. Facility now under construction. This installation will install two manholes, one, at a specified location along Perimeter Road in front of the new facility and, one midway between that point and the Night Stalker Way & Perimeter Road intersection. After completion of the installation, the DOIM project manager will provide manhole numbers to the contractor.

DELIVERABLES: The contractor awarded this project will be required to furnish one copy of as-built drawings in .dgn or .dwg format on a CD. The work area will be provided in .dgn CAD (MicroStation) format for attachment. It is a reference file of the post map used to maintain DOIM's plant-in-place drawings. Two hard copies of redline drawings are also required. The drawing provided to the contractor will not be moved, rescaled, or otherwise changed from its original geo-reference position or altered in any way that will affect its reattachment to DOIM's drawing system. Hard copy documents of OTDRs are required for all terminated fiber strands, end to end.

CLAUSES INCORPORATED BY FULL TEXT

52.211-10 COMMENCEMENT, PROSECUTION, AND COMPLETION OF WORK (APR 1984)

The Contractor shall be required to (a) commence work under this contract within **10** calendar days after the date the Contractor receives the notice to proceed, (b) prosecute the work diligently, and (c) complete the entire work ready for use not later than the number of calendar days specified below for individual projects if multiple awards are made. No single award of multiple projects (CLINs) will exceed 90 calendar days after the date the Contractor receives the notice to proceed. The time stated for completion shall include final cleanup of the premises.

CLIN 0001	75 CALENDAR DAYS
CLIN 0002	45 CALENDAR DAYS
CLIN 0003	60 CALENDAR DAYS
CLIN 0004	60 CALENDAR DAYS
CLIN 0005	45 CALENDAR DAYS
CLIN 0006	45 CALENDAR DAYS
CLIN 0007	45 CALENDAR DAYS

(End of clause)

52.211-12 LIQUIDATED DAMAGES--CONSTRUCTION (SEP 2000)

(a) If the Contractor fails to complete the work within the time specified in the contract, the Contractor shall pay liquidated damages to the Government in the amount of \$353.25 for each calendar day of delay until the work is completed or accepted.

(b) If the Government terminates the Contractor's right to proceed, liquidated damages will continue to accrue until the work is completed. These liquidated damages are in addition to excess costs of repurchase under the

Termination clause.

(End of clause)

52.214-19 CONTRACT AWARD--SEALED BIDDING--CONSTRUCTION (AUG 1996)

(a) The Government will evaluate bids in response to this solicitation without discussions and will award a contract to the responsible bidder whose bid, conforming to the solicitation, will be most advantageous to the Government, considering only price and the price-related factors specified elsewhere in the solicitation.

(b) The Government may reject any or all bids, and waive informalities or minor irregularities in bids received.

(c) The Government may accept any item or combination of items, unless doing so is precluded by a restrictive limitation in the solicitation or the bid.

(d) The Government may reject a bid as nonresponsive if the prices bid are materially unbalanced between line items or subline items. A bid is materially unbalanced when it is based on prices significantly less than cost for some work and prices which are significantly overstated in relation to cost for other work, and if there is a reasonable doubt that the bid will result in the lowest overall cost to the Government even though it may be the low evaluated bid, or if it is so unbalanced as to be tantamount to allowing an advance payment.

(End of provision)

52.214-22 -- Evaluation of Bids for Multiple Awards (Mar 1990)

In addition to other factors, bids will be evaluated on the basis of advantages and disadvantages to the Government that might result from making more than one award (multiple awards). It is assumed, for the purpose of evaluating bids, that \$500 would be the administrative cost to the Government for issuing and administering each contract awarded under this solicitation, and individual awards will be for the items or combinations of items that result in the lowest aggregate cost to the Government, including the assumed administrative costs.

(End of Provision)

52.216-1 TYPE OF CONTRACT (APR 1984)

The Government contemplates award of a firm fixed price contract resulting from this solicitation.

(End of provision)

52.222-3 CONVICT LABOR (JUN 2003)

(a) Except as provided in paragraph (b) of this clause, the Contractor shall not employ in the performance of this contract any person undergoing a sentence of imprisonment imposed by any court of a State, the District of Columbia, Puerto Rico, the Northern Mariana Islands, American Samoa, Guam, or the U.S. Virgin Islands.

(b) The Contractor is not prohibited from employing persons--

- (1) On parole or probation to work at paid employment during the term of their sentence;
 - (2) Who have been pardoned or who have served their terms; or
 - (3) Confined for violation of the laws of any of the States, the District of Columbia, Puerto Rico, the Northern Mariana Islands, American Samoa, Guam, or the U.S. Virgin Islands who are authorized to work at paid employment in the community under the laws of such jurisdiction, if--
 - (i) The worker is paid or is in an approved work training program on a voluntary basis;
 - (ii) Representatives of local union central bodies or similar labor union organizations have been consulted;
 - (iii) Such paid employment will not result in the displacement of employed workers, or be applied in skills, crafts, or trades in which there is a surplus of available gainful labor in the locality, or impair existing contracts for services;
 - (iv) The rates of pay and other conditions of employment will not be less than those paid or provided for work of a similar nature in the locality in which the work is being performed; and
 - (v) The Attorney General of the United States has certified that the work-release laws or **regulations** of the jurisdiction involved are in conformity with the requirements of Executive Order 11755, as amended by Executive Orders 12608 and 12943.
- (End of clause)

52.222-23 NOTICE OF REQUIREMENT FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY FOR CONSTRUCTION (FEB 1999)

- (a) The offeror's attention is called to the Equal Opportunity clause and the Affirmative Action Compliance Requirements for Construction clause of this solicitation.
- (b) The goals for minority and female participation, expressed in percentage terms for the Contractor's aggregate workforce in each trade on all construction work in the covered area, are as follows:

Goals for minority participation for each trade	Goals for female participation for each trade
18.2%	6.9%

These goals are applicable to all the Contractor's construction work performed in the covered area. If the Contractor performs construction work in a geographical area located outside of the covered area, the Contractor shall apply the goals established for the geographical area where the work is actually performed. Goals are published periodically in the Federal Register in notice form, and these notices may be obtained from any Office of Federal Contract Compliance Programs office.

- (c) The Contractor's compliance with Executive Order 11246, as amended, and the regulations in 41 CFR 60-4 shall be based on (1) its implementation of the Equal Opportunity clause, (2) specific affirmative action obligations required by the clause entitled "Affirmative Action Compliance Requirements for Construction," and (3) its efforts to meet the goals. The hours of minority and female employment and training must be substantially uniform throughout the length of the contract, and in each trade. The Contractor shall make a good faith effort to employ

minorities and women evenly on each of its projects. The transfer of minority or female employees or trainees from Contractor to Contractor, or from project to project, for the sole purpose of meeting the Contractor's goals shall be a violation of the contract, Executive Order 11246, as amended, and the regulations in 41 CFR 60-4. Compliance with the goals will be measured against the total work hours performed.

(d) The Contractor shall provide written notification to the Deputy Assistant Secretary for Federal Contract Compliance, U.S. Department of Labor, within 10 working days following award of any construction subcontract in excess of \$10,000 at any tier for construction work under the contract resulting from this solicitation. The notification shall list the --

- (1) Name, address, and telephone number of the subcontractor;
- (2) Employer's identification number of the subcontractor;
- (3) Estimated dollar amount of the subcontract;
- (4) Estimated starting and completion dates of the subcontract; and
- (5) Geographical area in which the subcontract is to be performed.

(e) As used in this Notice, and in any contract resulting from this solicitation, the "covered area" is Fort Campbell, KY.

(End of provision)

52.233-2 SERVICE OF PROTEST (SEP 2006)

(a) Protests, as defined in section 33.101 of the Federal Acquisition Regulation, that are filed directly with an agency, and copies of any protests that are filed with the Government Accountability Office (GAO), shall be served on the Contracting Officer (addressed as follows) by obtaining written and dated acknowledgment of receipt from

ACA, Directorate of Contracting
Garrison & Tenant Division
Building 2172 13 ½ Street
Fort Campbell, KY 42223-5334

(b) The copy of any protest shall be received in the office designated above within one day of filing a protest with the GAO.

(End of provision)

52.236-27 SITE VISIT (CONSTRUCTION) (FEB 1995)

(a) The clauses at 52.236-2, Differing Site Conditions, and 52.236-3, Site Investigations and Conditions Affecting the Work, will be included in any contract awarded as a result of this solicitation. Accordingly, offerors or quoters are urged and expected to inspect the site where the work will be performed.

(b) Site visits may be arranged during normal duty hours by contacting:

Major Robert Sigler
(270) 798-7881

robert.sigler@us.army.mil

(End of provision)

52.252-1 SOLICITATION PROVISIONS INCORPORATED BY REFERENCE (FEB 1998)

This solicitation incorporates one or more solicitation provisions by reference, with the same force and effect as if they were given in full text. Upon request, the Contracting Officer will make their full text available. The offeror is cautioned that the listed provisions may include blocks that must be completed by the offeror and submitted with its quotation or offer. In lieu of submitting the full text of those provisions, the offeror may identify the provision by paragraph identifier and provide the appropriate information with its quotation or offer. Also, the full text of a solicitation provision may be accessed electronically at this/these address(es):

<https://www.arnet.gov/far/>

(End of provision)

52.252-2 CLAUSES INCORPORATED BY REFERENCE (FEB 1998)

This contract incorporates one or more clauses by reference, with the same force and effect as if they were given in full text. Upon request, the Contracting Officer will make their full text available. Also, the full text of a clause may be accessed electronically at this/these address(es):

<https://www.arnet.gov/far/>

(End of clause)

INSTRUCTIONS TO BIDDERS:

INSTRUCTION TO BIDDERS

a. **CONDITIONS AFFECTING THE WORK** - Bidders should visit the site and take such other steps as may be reasonably necessary to ascertain the nature and location of the work, and the general and local conditions which can affect the work or the cost thereof. Failure to do so will not relieve bidders from responsibility for estimating properly the difficulty or cost of successfully performing the work. The Government will assume no responsibility for any understanding or representations concerning conditions made by any of its officers or agents prior to the execution of the contract, unless included in the Invitation for Bids, the specifications or related documents.

b. **BIDDER'S QUALIFICATIONS** - To establish its responsibility, the bidder may be requested by the Government to submit a statement regarding his previous experience in performing comparable work, his business and technical organization, financial resources, and plant available to be used in performing the work.

c. **PUBLIC OPENING OF BIDS** - Bids will be publicly opened at the time set for opening in the Invitation of Bids. Their content will be made public for the information of bidders and others interested, who may be present eight in person or by representative.

d. **CONTRACT AND BONDS** - The bidder whose bid is accepted will, within the time established in the bid, furnish performance and payment bonds on Government standard forms in the amounts indicated in the Invitation for Bids or the specifications.

e. **BIDDER'S ADDRESS** - Prospective bidders should indicate in the bid, the address to which payment and/or correspondence should be mailed, if such address is different from that shown for the bidder.

f. **MODIFICATIONS PRIOR TO DATE SET FOR OPENING BIDS** - The right is reserved as the interest of the Government may require, to revise or amend the specifications or drawings or both prior to the date set for opening bids. Such revisions and amendments, if any, will be announced by an amendment or amendments to this Invitation for Bids. If the revisions and amendments are of a nature which requires material changes in quantities or prices bid or both, the date set for opening bids may be postponed by such number of days as in the opinion of the issuing officer will enable bidders to revise their bids. In such cases, the amendment will include an announcement of the new date for opening bids.

g. **UTILITIES** - Utility services (reasonable amounts of water and electricity) required on the job site for accomplishment of the work will be furnished at not cost to the contractor; however, the Government will make no connections or alterations to the existing utility facilities for accomplishment of this work and any changes required by the contractor will be at his expense and at no additional cost to the Government. Utilities for office and/or storage buildings or areas will be billed to the contractor monthly and will not be furnished free of charge.

h. **BIDDING MATERIAL** - Specifications, drawings and bid forms can be obtained at no cost from the Directorate of Contracting Home Page at <http://doc.campbell.army.mil>.

i. **NOTICE TO OFFERORS - USE OF CLASS I OZONE-DEPLETING SUBSTANCES**

(1) In accordance with Section 326 of P.L. 102-484, the Government is prohibited from awarding any contract which includes a specification or standard that requires the use of a Class I ozone-depleting substance (ODS) identified in Section 602(a) of the Clean Air Act, (42 U.S.C. 767a(a)), or that can be met only through the use of such a substance unless such use has been approved, on an individual basis, by a senior acquisition official who determines that there is no suitable substitute available.

(2) To comply with this statute, the Government has conducted a best efforts screening of the specifications and standards associated with this acquisition to determine whether they contain any ODS requirements. To the extent that ODS requirements were revealed by this review, they are identified below with the disposition determined in each case.

(3) If offerors possess any special knowledge about any other ODSs required directly or indirectly at any level of contract performance, the U.S. Army would appreciate if such information was surfaced to the Contracting Officer for appropriate action. To preclude delay to the procurement, offerors should provide any information as soon as possible after release of this solicitation and prior to the submission of offers to the extent practicable. It should be understood that there is no obligation on offerors to comply with this request and that no compensation can be provided for doing so.

ODS Identified	Specification/Standard	Disposition
----------------	------------------------	-------------

None		
------	--	--

j. **NOTICE** - The following bid information is applicable only if bid is **over twenty five thousand dollars (\$25,000)**:

(1) **BID BONDS: This is applicable only if bid is over one hundred thousand dollars (\$100,000).** Each bidder shall submit with his bid a Bid Bond (Standard Form 24) with good and sufficient surety or sureties acceptable to the Government in the form of twenty percent (20%) of the bid price or three million dollars (\$3,000,000) whichever is lesser. The bid bond penalty may be expressed in terms of a percentage or may be expressed in dollars and cents.

(2) **PERFORMANCE BONDS: This is applicable only if bid is over one hundred thousand dollars (\$100,000).** Within ten (10) days after receipt of contract award to the bidder whom award is made, one (1) bond, with good and sufficient surety or sureties acceptable to the Government, shall be furnished; namely a Performance bond (Standard Form 25). The penal sum of such bond shall equal one hundred percent (100%) of the contract price. (See FAR clause 52.228-15.)

(3) **PAYMENT BONDS:** Within ten (10) days after receipt of contract award to the bidder whom award is made, one (1) bond, with good and sufficient surety or sureties acceptable to the Government, shall be furnished; namely a Payment Bond (Standard Form 25A). The penal sum of such bond shall be as follows:

(a) Payment Bond: (See Far Clauses 52.228-0014, Irrevocable Letter of Credit (DEC 1999) and 52.228-15 Performance and Payment Bonds—Construction (JULY 2000))

1 The penal sum will be one hundred (100%) of the contract price.

(3) **INDIVIDUAL SURETIES** will not be accepted for construction contracts. Only bonds from corporation or financial institutions will be recognized as responsive to the submission for bid bonds or performance and payment bonds. Prospective contractors whose bids are accompanied by an Individual Surety will therefore be rejected as nonresponsive and not considered for award.

i. EXPLANATION OF PROVISION/CLAUSE NUMBERS UTILIZED IN THIS SOLICITATION:

(1) When the seventh digit of the provision/clause number is a "0", this indicates a provision/clause from the Federal Acquisition Regulation (FAR), e.g., 52.0252-0007.

(2) Where the seventh digit of a provision/clause number is a "7", this indicates a provision/clause from the Defense Acquisition Regulation Supplement (DFARS), e.g., 52.252-7007.

(3) Where the seventh digit of a provision/clause number is a "9", this indicates a provision/clause from the Army Federal Acquisition Regulation Supplement (AFARS), e.g., 52.0252-9007.

SUBJECT TO AVAILABILITY OF FUNDS: Funds are not presently available for this acquisition. No contract award will be made until appropriated funds are made available from which payment for contract purposes can be made.

**SECTION 00800
SPECIAL CONTRACT REQUIREMENTS
SPECIAL PROVISIONS**

SP 1. WORK HOURS.

a. Normal work hours are from 7:30 A.M. through 4:00 P.M., Monday through Friday. contractors will not be permitted to work after normal work hours or on Saturday, Sunday or legal holidays unless authorized by the Contracting Officer. However, Saturday, Sunday and legal holidays and any work after normal workhours are included in computation of performance time.

New Year's Day	Labor Day
Martin Luther King, Jr's Birthday	Columbus Day
President's Day	Veteran's Day
Memorial Day	Thanksgiving Day
Independence Day	Christmas Day

b. When one of the above designated legal holidays falls on Sunday, the following Monday will be observed as a legal holiday. When a legal holiday falls on a Saturday, the preceding Friday is observed as a holiday by U.S. Government agencies.

SP 2. FIRE PREVENTION. The Contractor shall comply with fire prevention practices as set forth by the National Fire Protection Association and other recognized fire prevention agencies and post regulations.

SP 3. PREPARATION OF PROGRESS SCHEDULES AND REPORTS. The report contemplated by the clause entitled “Schedules for Construction Contracts” shall be accomplished on and in accordance with instructions pertaining to FORSCOM Form 59-R, “Contract Progress Report”, original and two copies. Progress reports shall be submitted weekly.

SP 4. CONTRACT PROGRESS REPORTS. The contractor and the Public Works Business Center Inspector assigned to the project shall submit a separate FORSCOM Form 59-1-R, “Contract Progress Report”, complete, signed and dated to the Contracting Officer. These reports will be reviewed by the Contracting Officer and action taken to resolve any variances in the two (2) reports. The contractor shall also submit an original to the Contracting Officer’s Representative accompanied by a brief narrative report of work accomplished.

SP 5. TRANSMITTAL OF SHOP DRAWINGS, EQUIPMENT DATA, MATERIAL SAMPLES, OR MANUFACTURER’S CERTIFICATIONS.

a. All materials and equipment for which approval is required by the provisions, as contemplated by the “Materials and Workmanship” clause herein, shall be submitted by the Contractor within 10 days after receipt of Notice to Proceed and approval obtained prior to the Contractor incorporating said materials and articles in the work. Other submittals shall be submitted by the Contractor 10 days prior to beneficial use or final acceptance, whichever occurs first.

b. All data submittals required by this contract shall be submitted by the Contractor by means of Corps of Engineers Form ENG-4025R, “Transmittal of Shop Drawings, Equipment Data, Material Samples, or Manufacturer’s Certifications”. Unless specified elsewhere, all data submittals shall be in four (4) copies.

SP 6. SCHEDULE OF INSURANCE.

a. The Contract shall, at its own expense, provide and maintain during the entire performance period of this contract at least the kinds and minimum amounts of insurance required below:

Workmen’s Compensation and Employer’s Liability Insurance	\$100,000.00
General Liability Insurance for Bodily Injury Liability	
Minimum Per Occurrence	\$500,000.00
Automobile Liability Insurance:	
Minimum Per Person	\$200,000.00
Minimum Per Occurrence for Bodily Injury	\$500,000.00
Minimum Per Occurrence for Property Damage	\$ 20,000.00

b. Before commencing work under this contract, the Contractor shall certify to the Contracting Officer in writing that the required insurance has been obtained. The policies evidencing required insurance shall contain an endorsement to the effect that any cancellation or any material change adversely affecting the Government’s interest shall not be effective (1) for such period as the laws of the state in which this contract is to be performed or prescribed and (2) until 30 days after the insurer or the Contracting gives written notice to the Contracting Officer, whichever period is longer.

c. The Contractor shall insert the substance of the clause, entitled “Insurance - Work on a Government Installation (FAR 52.228-05),” in subcontracts under this contract that require work on a Government installation and shall required subcontractors to provide and maintain the insurance required above.

SP 8. ALTERNATIVE DISPUTE RESOLUTION (ADR). “In furtherance of Federal policy and the Administrative Dispute Resolution Act of 1990, ADR, Pub. L. 101-552, the Contracting Officer will try to resolve

all posts award acquisition issues in controversy by mutual agreement of the parties. Interested parties are encouraged to use alternative dispute resolution procedures to the maximum extent practicable in accordance with the authority and the requirements of the ADR Act.”

SP 9. EXCAVATION AND UTILITY CLEARANCE. The Public Works Business Center shall obtain, and ensure that the contractor is provided with necessary excavation and utility clearances. The contractor shall request such clearances in writing to the contracting office not less than ten (10) calendar days prior to the date which he anticipates commencement of work. It shall be the contractor’s responsibility to pick up such clearances at the Public Works Business Center, Contract Management Branch, Building 846, Fort Campbell, KY. The contractor will not proceed with excavation of any kind until he has accomplished the following:

- a. Obtained required clearance. Clearances will be valid for 140 days from date of issue or as otherwise directed by the issuing authority.
- b. Obtained drawing(s) showing all utilities within the proposed work area(s).
- c. Obtained approval of completed staking in the field by the Engineers for the work area affected.

WELDERS - Receive rate prescribed for craft performing operation to which welding is incidental.

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (ii)).

In the listing above, the "SU" designation means that rates listed under the identifier do not reflect collectively bargained wage and fringe benefit rates. Other designations indicate unions whose rates have been determined to be prevailing.

WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

- * an existing published wage determination
- * a survey underlying a wage determination
- * a Wage and Hour Division letter setting forth a position on a wage determination matter
- * a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour Regional Office for the area in which the survey was conducted because those Regional Offices have responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal

process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.
